

We would like to invite you to our

CAMPUS MEETING

February 22, 2024
6:30 pm

Topeka Charter
Auditorium

As Principal Chavez continues to ensure the safety of students and staff before, after, and during the school day, she would like to invite the community to participate in a discussion about whether Topeka should become a closed campus or to remain a modified closed campus. We invite you to join her for a meeting to discuss this matter in our school auditorium.

We hope to see you there!
